### CONFERENCES & BANQUETS

- Song Shan Lake Science and Technology Industrial Park: The Song Shan Lake Science and Technology Industrial Park is a city in itself, encompassing a total area of 72 square kilometres surrounded by a charming, natural environment. It is known as the most progressive development district for advanced technology in China, and is also the new business and leisure spotlight of Dongguan. Hyatt Regency Dongguan is the only 5-star international hotel in Song Shan Lake district, providing a refreshing world-class hotel experience with a touch of local culture
- A pillar-less Ballroom commanding panoramic lake views that can comfortably accommodate up to 1,000 guests for cocktails. It is divisible into two separate sections and has an audio-visual monitoring room
- The Salon has spectacular lake views and is divisible into four separate sections
- Eleven multi-purpose meeting rooms are available for meetings of various sizes
- The Business Centre provides convenient and efficient support services for meetings and functions
- Simultaneous translation facilities
- Latest technology for audio-visual and lighting
- Video and telephone-conferencing facilities
- Broadband Internet connection (cable and wireless available)
